OBITUARY:

On the 9th Inst., at his late residence, in Pleasant township, Mr. Geo. O. Pence, died, aged about 70 years.

The deceased, during a residence of near ten years in the county acquired many warm friends, who, with the widow and children, sincerely mourn his loss. He was a kind husband, an affectionate father and a benevolent neighbor. In his last, and quite protracted illness, he evinced much patience and fortitude. Sensible of his approaching death, the hope of a blessed immortality deprived the monster of his "king" and the grave of "victory." It may be truly said of him that he lived and died an honest man, beloved by all.
